OUR MISSION: *To provide social services and connections that empower people to build healthy, stable lives.*

DEAR FRIENDS,

It was a great year for PRISM! Continuing to build on what we do best, we provided more food than ever before, and enhanced our housing programs for those who are homeless or at-risk of homelessness. Our strategic plan was updated and freshly polished, yielding revised mission, vision, and values statements, and an exciting direction and future for our organization.

Every day seniors, children, families, and singles come to PRISM unable to meet their basic needs of food, housing, and clothing. The community's ongoing support allows PRISM to be the welcoming, dignified place that helps each of them in powerful and lasting ways. One visitor recently confirmed this when she said, "I don't like being poor, and hopefully I won't be poor forever. But, I sure do like coming here."

Thank you for engaging in our efforts. Together we make our community stronger and healthier.
