

FY16 ANNUAL REPORT

730 Florida Avenue South, Golden Valley, MN 55426 • 763.529.1350 • prismmpls.org

OUR MISSION: To provide social services and connections that empower people in our community to build healthy, stable lives.

DEAR FRIENDS,

At PRISM we believe all living things are connected and vital to our combined well-being. Our similarities far outweigh any differences, and with steadfast efforts our entire community becomes healthier and more stable. Meeting one's basic needs continues to be the foundation of a healthy and prosperous life. However, for thousands of families, this starting point simply isn't possible without you: our wonderful volunteers, donors, shoppers, and partners. Each act of your generosity this past year has been life changing for the people we serve...the newly single mom, the recently laid off father, the widowed senior, the family experiencing a medical crisis, and the many hard-working folks who simply don't earn enough to make ends meet. We celebrate this past year by recognizing and honoring the diverse people and cultures that are a part of our community, and the shared benefit of collective kindness. Together we are creating positive change in our community. Thank you for being a part of it.
