FROM THE DESK OF THE EXECUTIVE DIRECTOR

Dear Friends,

The challenges our neighbors and community members face continue to grow in number and complexity. Inflation and the end of pandemic emergency support make PRISM's programs more relevant than ever. Minnesota saw a record 9 million food shelf visits in 2024; PRISM remains committed to providing everyone with a validating experience that reinforces their dignity.

The community's support through volunteerism, in-kind donations, and financial contributions means we cannot just address crises but also need to proactively advocate for systems and policies that reduce poverty and its devastating effects. PRISM's values of dignity, accountability, collaboration, and innovation continue to guide our work toward creating a healthier, more stable community.

Thank you for caring about others and being a part of PRISM!

In Service,

Michelle Ness, MSW, LISW
Executive Director
